A NEW MOVIE EVERY SATURDAY NIGHT GUARANTEED!

Words speak louder than actions in this inspiring drama about an inner-city youth who bonds with a long-out-of-touch writer. Rob Brown stars as Jamal, a bright 16-year-old who undertakes a dare to snatch a souvenir from the apartment of a reclusive neighbor. When Jamal accidentally leaves a bag full of his writing behind, the grey-haired hermit returns it—with corrections. The man turns out to be William Forrester (Connery), a Salinger-esque author who wrote a legendary novel forty years earlier, but hasn't been heard from since. As the pair work together, they form a friendship forged by their mutual passion for words. With F. Murray Abraham, Anna Paquin. (AC,AL,MV) PG13-2:16. HBO Dec.1,4,9,13,17,25,29 □ DD5.1 Esp HDTV

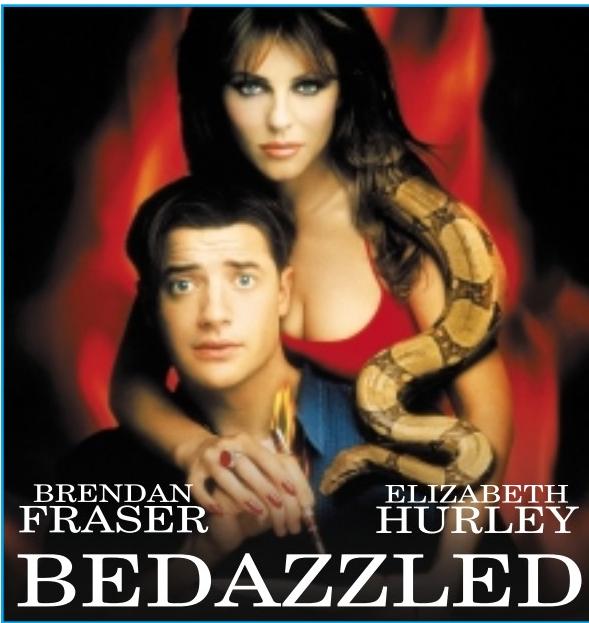

**STARTS SATURDAY, DECEMBER 1**

When an American engineer working in South America is abducted by mercenary terrorists, his wife Alice (Ryan) learns that there is only one man who can help. She turns to rugged hostage negotiator Terry Thorne (Crowe), who is experienced and powerfully effective. His tactics are, if anything, too successful—after a while, even the smitten Alice is considering giving up her husband! Romance raises the stakes in this “first-rate thriller” (*Hollywood Reporter*) directed by veteran helmer Taylor Hackford (*Against All Odds*, *The Devil’s Advocate*). With David Morse (*Hearts in Atlantis*), Pamela Reed (*Why Do Fools Fall in Love*) and David Caruso (TV’s *NYPD Blue*). (AC,AL,V) R-2:16. HBO Dec.15,18,20,23,28 □ DD5.1 Esp HDTV

A NEW MOVIE EVERY SATURDAY NIGHT GUARANTEED!

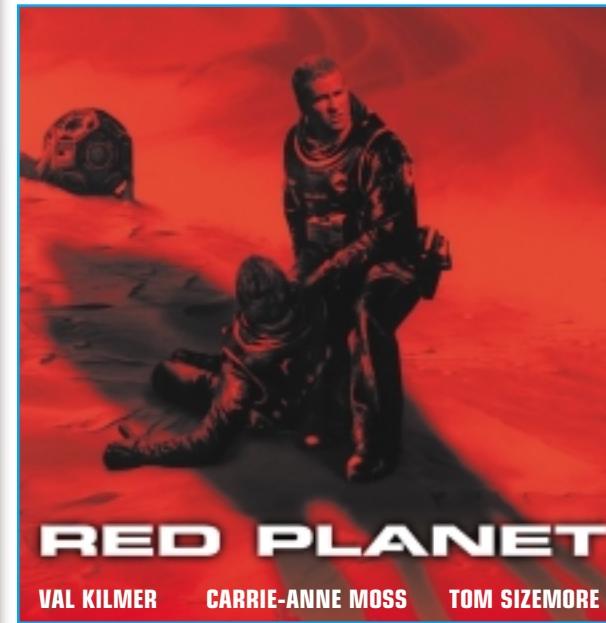

A hapless computer geek attracts some sympathy from the devil in this riotous remake of the 1967 Dudley Moore-Peter Cook comedy classic. This time, the devil appears in luscious female form to grant the loser seven wishes...in exchange for his soul, of course. All Elliot (Brendan Fraser) wants is happiness with a pretty co-worker, but each wish seems to lead him in the wrong direction as sexy Satan (Elizabeth Hurley) transforms him into everything from a marked Colombian drug lord to a moronic basketball star! "Outrageous fun" (*The New York Times*) from director Harold Ramis (*Analyze This*). With Frances O'Connor, Orlando Jones. (AC, AL, MV) PG13-1:33. HBO Dec. 29, 31 □ D5.1 SP HDTV

PREMIERES SUNDAY, DECEMBER 29

A crackerjack stock trader comes up with a surprising new gig after an investment deal goes bad and costs him his job. This romantic comedy stars Charlie Sheen as Ryan, a wheeler-dealer whose humbling work experience is compounded when his girlfriend Cindy (Denise Richards) leaves him and moves to Brazil. Desperate for work, Ryan begins writing Cindy's advice column for a small-time newspaper and turning it in to a suspicious editor named Paige (Angie Harmon). When the column suddenly takes off, Ryan finds himself desperately trying to keep up the lies...and starting to fall in love. Jon Lovitz, Rosanna Arquette co-star. (AC, AL, BN) R-1:33. HBO Dec. 8, 11, 16, 19, 21, 26, 30 □ D5.1 SP HDTV

PREMIERES SUNDAY, DECEMBER 8

By the year 2050, global warming and mankind's destruction of the environment have taken the ultimate toll on Earth. Left with no choice but to colonize another planet, scientists successfully seed Mars with an oxygen-rich algae, but when it mysteriously disappears, a mission is sent to investigate. Led by Bowman (Carrie-Anne Moss), who commands the mission from orbit, a five-person crew sets out to solve the algae mystery, but they quickly discover a single chilling truth: they're not alone. As the crew is picked off one by one, it's up to Bowman to save the survivors from the deadly otherworldly force. With Benjamin Bratt and Simon Baker. (AC, AL, V) PG13-1:47. So you've written a screenplay, but what are you going to do with it? You can go through the standard routes like trying to find an agent or passing it on to somebody who supposedly has connections in the business. Or...you can pitch it directly to executive producers Ben Affleck, Matt Damon and Chris Moore and the folks at Project Greenlight, who will enter it in a contest where the winner gets to direct his or her own nationally distributed movie. This delightfully different twelve-part documentary series is HBO's contribution to an innovative multi-media project. The

show chronicles the entire process of the project: from the painstaking weeding out of scripts and choosing of a winner right through the filming of the picture and all of the madness that went with it. After an ulcer-inducing selection process, aspiring filmmaker Pete Jones has beaten the odds. But has Pete actually won anything? Once he's survived the pre-production hassles, nightmarish shooting schedule, all-night edits and bickering with second-guessing studio suits, he might wish he had never submitted the script in the first place! Through the words of survivors, as well as photos and painstakingly unearthed footage, this documentary reveals the stunning stories of 12 Jewish children saved from the Holocaust by an act of mercy. A MUSIC CELEBRATION

HBO FAMILY HOLIDAY SPECIAL

In this season of giving, HBO presents a special holiday gift for the young—and the young at heart—with this irresistible and heartwarming journey through the music and magic of the holidays. From the makers of HBO's Emmy<sup>®</sup>-winning *Goodnight Moon & Other Sleepytime Tales* comes this delightful family special that combines animated adaptations of classic holiday songs—performed by top stars including Frank Sinatra ("The Christmas Waltz") and Macy Gray ("Winter Wonderland")—with live-action shorts. Each segment is bridged by the humorous observations and anecdotes of a group of adorable 4- to 8-year-old

children, as well as by short pieces that celebrate the holiday spirit of giving, sharing and loving. The epic soundtrack includes recordings of Nat King Cole's "The Christmas Song," Bing Crosby's "Jingle Bells," Judy Garland's "Have Yourself a Merry Little Christmas," Doris Day's "I'll Be Home for Christmas," and two pieces created just for this special: "Feliz Navidad" performed by Los Lobos and "Chanukah, Oh Chanukah" by Bette Midler. Last, but not least, don't miss the conclusion featuring Louis Armstrong's poignant 1971 reading of the poem "A Visit From St. Nicholas"—his last recording. TVG:27. HBO Dec.17,24,25 P/N SP

## The GAME of their LIVES

Pro Football's Wonder Years

Before it became autumn's Sunday afternoon ritual, professional football had no instant replay, no million-dollar contracts and no superstars. HBO Sports presents this compelling documentary that looks at football in the 1950s when the gridiron came of age with players like Norm Van Brocklin and Johnny Unitas—and when just playing the game was an honor. Narrated by Liev Schreiber, the film uses home movies, period newsreels and interviews to recount the exploits of key figures like Bobby Layne, Paul Brown and Frank Gifford, as well as looking at great teams such as the Rams, Browns, Lions and Giants. Interviews include Hugh McElhenny, Bobby Mitchell, Jon Arnett, Pat Summerall and Jane Russell. TVPG-:57. HBO Dec.4,6,8,10,12,16,24 Q<sup>ESP</sup>
